Welcome to my village! I want to give a talk about people and our favorite holidays.

This summer we celebrated "the day of village". This day was very important for us. Local community of singers organized a little concert. People in my village <sup>were</sup> very active. They had fun and take part in competitions. But we have a routine: in the morning we go to school or job, try to visit our siblings or grandparents. In my village live very interesting people. For example: artists, singers, dancers, ~~sportsmen~~ sportsmen and others. We have a lot of sports competitions and <sup>we</sup> sometimes win. This <sup>into is</sup> survey on TV.

People in my village very like holidays because they can relax. Most of all they like Christmas. In this time we have a lot of concerts. People ~~we~~ like to sing & songs, dance and just have fun. We have a cool tradition. Every winter we do ~~do~~ snowman in the square.

I like my village and I like ~~this~~ people. I hope people from other towns, villages or countries can ~~with~~ visit my village and meet <sup>great</sup> people and make new friends.

Welcome to my village!

I live in Bauro. It's a small village in Aljai region. It has an interesting story. It's very exciting for me to survey <sup>the</sup> data about people who lived here.

People in Bauro like to spend time and holidays together. For example, we had a lot of events over the year. I attended most of them with my family and friends. The most memorable event for me is our village's anniversary. It is 95 years old now. There were a lot of songs and dances at the holiday. I really enjoyed it.

Also, we had our special event this summer. Day of village is a time to hang out with friends and just have fun. It was a day full of smiles and bright colours. I had got strong emotions and new memories.

Our ordinary day is simple: it starts in the morning when people are going to different places and ends in the evening.

It's about 5000 people living in Bauro. In my opinion, our community is very friendly and kind. I'm sure there are honest and open ones.

I hope you got interested while reading this article. I'd like to see you in Bauro!
